DON'T LET YOUR COMPANY BE THE BEST KEPT SECRET IN THE INDUSTRY, PRESENT AT THE HOSE+COUPLING WORLD EUROPE CONFERENCE & EXPO!

The Hose + Coupling World Conference Steering Committee invites presentations for the upcoming event on a wide variety of topics related to hoses, couplings, fittings, and accessories in the flow control industry.

Experts from all areas of the Hose + Coupling industry – including end-users, EPCs, material experts, manufacturers, and distributors – are encouraged to submit an abstract.

All abstracts should be of a technical nature or involve case studies. Commercial presentations solely promoting companies and their brands are discouraged.

Are you involved in developing innovative new products? Do others frequently come to you for answers? Then we want to hear from you – submit today!

HOW TO SUBMIT AN ABSTRACT

Hose + Coupling experts are invited to submit an abstract (300–500 words) which can later be developed into a PowerPoint for presentation at the event.

Abstracts should include a title, a summary of the content of the presentation, and an author name with appropriate contact details (e-mail address/tel. no.).

Speakers will be allocated 25 minutes for their presentation including 5 minutes for questions & answers. Time limits will be strict.

Please send your abstract to the Conference Coordinator, **Christopher Papendorf**: c.papendorf@kci-world.com

DISCUSSION-BASED WORKSHOPS

Workshops are ideal platforms where end-users, manufacturers, suppliers, EPCs, distributors and materials experts alike can freely discuss key topics having a major impact on the Hose & Coupling industry.

If there is a topic that you would like to see addressed at the conference then please do propose it as a workshop theme.

Simply submit some details about the topic, outlining why it is important and the types of speakers who might also contribute, to the Conference Coordinator, **Christopher Papendorf**: c.papendorf@kci-world.com.

ROLE OF THE STEERING COMMITTEE

The role of the International Steering Committee is to:

- Advise the organization
- Guide the information of the conference program
- Review the submitted abstracts
- Select conference presentations
- Assess and develop workshop themes

The Steering Committee's overall goal is to develop a well rounded program that will deliver real benefits to all conference delegates.

IMPORTANT DETAILS

- ▶ Abstract submission deadline: May 1st 2019
- ▶ Notification of acceptance: June 1st 2019
- ▶ Abstract length: 300-500 words
- ▶ Conference coordinator: c.papendorf@kci-world.com

SUGGESTED TOPICS

TECHNOLOGY & MATERIALS

- New technology and innovation
- Material selection
- Maintenance & repair solutions
- High/Ultra high-pressure materials
- Flexible metallic materials
- High integrity hoses

APPLICATIONS & SECTORS

- Subsea & marine
- Power generation
- Oil & gas
- Chemical/petrochemical
- Pharmaceutical
- Agriculture
- Food & beverage
- Water & wastewater
- Pulp & paper
- Solids & slurries
- Cryogenic applications
- Severe service applications

GENERAL INTEREST

- Avoiding coupling failure
- Supply chain & material specification
- Testing & standards
- Data availability & responsibility
- Hose safety
- Environmental considerations

These are suggested topics only; presentations are in no way limited to the above. If you have a topic that we haven't thought of, share your ideas with the Conference Coordinator, Christopher Papendorf: c.papendorf@kci-world.com. Abstracts will be considered from all aspects of the production and utilization of hoses and couplings in industrial processes.

Any questions? Please do contact the Conference Coordinator, Christopher Papendorf: c.papendorf@kci-world.com

GET INVOLVED IN THE HOSE+COUPLING WORLD EUROPE EXHIBITION!

The conference will be complemented by the exhibition, where exhibitors will be on-site to answer questions, provide information and showcase what their brands have to offer.

Manufacturers, suppliers and distributors will present their latest products and establish relationships for the years ahead.

Participants can expect to encounter a high-level of expertise and the opportunity to network in an informal and social atmosphere.

The event is designed to initiate the free exchange of ideas, practical information and firsthand experience.

CHOOSE BETWEEN STAND OR LOUNGE PACKAGES

Exhibition stands provide an ideal platform to showcase your company's products, services and people.

The price for the Stand Package includes: stand construction, white walls, table + chairs, counter, waste bin, brochure rack, free Wi-Fi, basic electricity connection and consumption.

The price for the Lounge Package includes furnishings: couch, chairs, coffee table, advertising display back-drop with company logo, brochure rack, waste bin, free Wi-Fi, basic electricity connection and consumption.

See the back page for details on how to book your spot.

STAND PACKAGE
€4,900

LOUNGE PACKAGE
€5,900
